completed a minimum of 260 hours of approved community service by the end of their junior year and who demonstrate exceptional leadership in their community

The Youth Community Leadership Awards program recognizes and rewards outstanding high school seniors attending public, private or parochial schools in Montgomery County. Youth Award recipients are selected from applicants who have

service activities. Each student is required to submit an award application, essay and recommendations. Five students are selected annually to receive a \$1,000 award at LMG's annual Celebration of Leadership event.
